Fiscal Analysis

ASSUMPTIONS:

1. This bill provides for the use of electronic tracking devices in criminal investigations and requires a court order from District Court to install such equipment.
2. The legislation may increase District Court workload but the Judicial Branch is unable to estimate the impact on judicial workload or the fiscal impact. The cumulative impact of such legislation may over a period of time require additional judicial resources since the court dockets are already full throughout the state.

EFFECT ON COUNTY OR OTHER LOCAL REVENUES OR EXPENDITURES:

The cost of using the electronic devices is borne by the requesting law enforcement agency that are funded by county or local governments.
